

The Rocket

They call me The Rocket
Because I go fast on ice
Before each game
My mom does my skates up
Nice and tight

They call me The Rocket
Because I go fast on ice

Last game
Steve from the other team
Hit me
That wasn't very nice

But I didn't
Let him stop me
I took that puck
To the goal at the end
And when I looked up
I had scored on my friend

I didn't mean
To help the other team
But my coach says
We play for fun
So it doesn't matter
Which team has won

Because I'm the Rocket
And I go fast on ice
The game is going
To be different tonight

I'm going to skate
Really fast
Steve won't be able to catch me
He won't last

And I'm going to score
On his team
Not mine
Because I'm The Rocket
And my daddy says
I play hockey
Just fine

The Rocket

Two loving adults help The Belly Button Buddy feel better about scoring on her own team. Unscramble these sentences to learn what they told her.
